Dear Listener:

WHEEWW, the counting is over and the fat man reigns supreme! "Blueberry Hill" is still Houston's #1 Oldie for the 3rd time! The mail this year was unreal and your kind comments about K-NUZ make us all feel good. Here are a few things you will find interesting about this year's Top 300:

Even though Fats had the #1 song, he had only 4 songs on the chart. Elvis was the champ with 23 titles on this list (Roy Orbison was next with 7). Your favorite black group was the Platters - favorite white group, a tie between the Beatles, Four Seasons and Beach Boys. Chuck Berry took the honors for favorite black artist and Elvis' 23 hits took the favorite white category. Biggest jump was "The Stroll" by the Diamonds (248-22). Highest new entry: "In the Midnight Hour" by Wilson Pickett. There were 72 new entries not on the '85 list. The 300 broke down like this: 131 songs from the 50's, 160 songs from the 60's and 9 from the 70's. The year with the most hits was 1958. One hundred twenty nine of our songs made #1 in Billboard Magazine, 246 made the Top 10 and the only local group that made it was C. L. and the Pictures (#278).

And, here are some number ones from around the country. Perhaps your hometown is here... New York, "In the Still of the Night"; Los Angeles, "Tallhouse Rock"; Detroit, "My Girl"; Dallas, "Hey, Jude"; San Francisco, "Satisfaction"; Boston, "Rock Around the Clock"; San Antonio, "Duke of Earl"; Baltimore, "I Can't Help Falling in Love"; and Washington, D. C., "Bridge Over Troubled Water".

Again, our thanks to K-NUZ's Buddy Covington for the count and, an old record's best friend, Tom Godel for the interesting research.

Cruz on! Dr. Bruce Nelson, Program Director, K-NUZ, Houston, Texas
